

Did You Know?

Discard Paper Backing

Be sure to discard the yellow paper backing before using your Screen Daddy.

Swipe

A few swipes of the smiley side keep your phone, tablet and glasses clean and clear. Perfect for monitors, mirrors and other glass surfaces too!

Stick

Screen Daddy's silicone backing sticks to most surfaces for easy storage.

Refresh & Reuse

To clean a dirty Screen Daddy or reactivate its adhesive, simply wash with warm soapy water and let air dry.

Use Wet or Dry

Screen Daddy works well dry or with your favorite cleaning solution.

Scratch Free

Gentle microfiber safely cleans your devices with no streaks, lint or scratches left behind.
